

DOG POLICY: THE STAR INN THE CITY

Dogs, other than Assistance Dogs, are not permitted in the carpeted area of the Garden Room and Private Dining Room, however, well-behaved dogs can be welcomed in the Bar at quieter times and tables must be reserved in the River Room, when available or by advance arrangement. We regret that we may not be able to offer a table, where an advance booking has not been made.

Water can be provided; owners are expected to clean up any dog waste and to dispose of this appropriately.

Dog owners are asked to show respect for other diners' sensitivities, in keeping their dogs quiet, on a lead and under control at all times.

We regret that we do not permit accept breeds covered by the Dangerous Dogs Act and expect owners to have the appropriate insurance in the event that their dog should cause injury to any person or property. In the event that your dog should object to another diner's dog, we would expect the most recently arrived dog to be removed from the Restaurant.
